GUESTS: Susie Poindexter, Jacob Sheperd, Conner Dohse, Cheryl Cox, Matt Allen, Gary Jackson, Bevon Brawner, Kathy Breed, Rudy Upshaw, Dallas Collie, Debi Havner, Zoe Morton, Patsy Root, Jackie Laregy, Julie Knight, Janice Zoeller, Mandy Cameron, Greg Mertes, Debbie Riggs, Phyllis Reding, Kim Charlton, Kathy Breed, Brenda Gairlan, Mandie Thompson, Donnie Harris, Debbie Lassiter, Jessica Deaton, Randy Deaton, Nick Nabholz, Scott Yitri, Gabrielle Yeates, Jason Brunner, Martha Tompkins, Stephanie Lane, Melanie Elliott, Cade Elliott, Hollie Elliott, Bevan Brawner, Lisa Bratspies, Reid Pierce, David Kerfauver, Chu Kufet, Council Lear, Jennifer Keefauver, Wendi Cheatham, Laura Bowen, Valerie Lynch, Deanna Moser, Ann Kieth, Kiki Hoener, Max Hoener, Kevin Lyles, Heather Schiederer, Amy Dyson, David Harris, Corinna Spencer, Misty Allard, Janelle Wigent, Dedra Hunter, Amy Brey, Karla McBride, Red Washington, Stephanie Lightle, Linda Brown, Bill Burckhard

WELCOME:
President Travis Riggs called the meeting to order and led the Pledge of Allegiance.

OATH OF OFFICE:
President Riggs led newly elected board members Kim Mertes and Willie Cowgur in the oath of office. He explained that the official oath of office was administered earlier at the Court House and this is more ceremonial.

RECOGNITIONS:
Ruth Barker MS principal Rose Fowler introduced Hollie Elliott, who was a national winner in the “We the People” contest. BHS principal Kim Garrett introduced the following 2012 Semifinalist in the National Merit Scholarship Competition winners: Kelsey Wheelhouse, Ryan Wallace, Lauren Presley, Savannah McBride, Brandon Hoisington, Anthony Gabb, Sarah Fitzpatrick, and Ruth Bruce. Also the 2012 National Merit Commended Students winners: Sydney Arend, Leslie Dagen, Jeremiah Flannery, Kylen Hayes, Tyler O’Shaughnessy, and Ashley Wagner.

COMMENTS FROM THE PUBLIC:
Since there are several once a year items on the agenda, President Riggs changed the order and moved public comments up. There were approximately 23 people who spoke, sharing their opinions with the board. The majority of the speakers were in favor of the 2nd high school proposal that has been considered to help with the growth in Bentonville Public Schools, although there were several who support the 9th grade option. Some concerns the supporters of the 2nd high school option addressed were overcrowding, students getting lost in the large school population, lower property values due to parents not wanting to attend such a large school, feeling the 9th grade center is a temporary solution, students not getting to participate in activities they want due to overcrowding, and lack of vocational opportunities. Parents speaking in favor of the 9th grade center voiced support for continuing programs and classes that can be offered with more students, not splitting the town’s loyalties, teaching students to be competitive

and prepared for post secondary life, lower millage campaign, lower administrative and teaching costs, better use of current facilities, and offering more classes.

ELECTION OF OFFICERS:
Superintendent Mike led the officer election process. Bryan Vernetti nominated Travis Riggs for president. Travis thanked Bryan but said when he took the office that he wasn't going to do this long term, so he respectfully declined.

Motion by Bryan Vernetti, seconded by Kim Mertes, to nominate Becky Koonce for president and Travis Riggs as vice-president. The motion passed 7-0.

Motion by Scott Packnett, seconded by Bryan Vernetti, to nominate Kim Mertes for secretary. The motion passed 7-0.

CONSENT AGENDA:

Motion by Scott Packnett, seconded by Bryan Vernetti, to approve the following consent agenda:
Minutes of the September 12, 2011, regular meeting
Facilities Management Report
Energy Management Report
Enrollment Report
Transportation Report
Budget and Finance
General Ledger
Bank Reconciliation Report
Student Transfer – OUT: Shaylin Carnell Family, 1 child, to Siloam Springs
Expulsions: BHS : 1 female and 1 male – grade 10 – Fall semester 2011-12
The motion passed 7-0.

ANNOUNCEMENTS:
President Koonce presented the following calendar events:

**Board Committee Meeting dates have been moved to the week after Thanksgiving.*
Board Committees will not meet in December due to Christmas Break.
December 22 – January 3 – Christmas Break – All Schools Closed

REPORTS:
Suzanne Nicholas presented the ACSIP Assurances Approval reports. She explained that the district would not receive any federal money until this was approved and submitted. Mr. Poore said the ACSIP was not an easy document but that Ms. Nicholas did a very good job of making this a workable document. She then went over the different programs and what programs they covered. She explained that this is part of the No Child Left Behind policy.

Motion by Kim Mertes, seconded by Travis Riggs to accept the ASCIP Assurance Approval as presented. The motion passed 7-0.

ACTION ON HIGH SCHOOL GROWTH ISSUE:
Superintendent Poore gave a presentation supporting his proposal for a 9th grade center. He praised BHS for their high student performance, stating that anytime you visit BHS the building is clean, the students are well dressed and learning is happening. Even with our growth, our students are performing better than any other school in Arkansas unless the school has less than 68 students. BHS has sent 5 students to the Air Force Academy and 4 to West Point, the only school in America to do that. BHS is able to offer more programs, which keep students engaged, due to having more students. On 5/19/2011 a senior exit survey was completed by 639 seniors in the class of 2011. Highlights of the survey include:

91%plan to attend college.
96.9% indicated that they were offered a quality academic education at BHS.
71.0% rated BHS as "excellent and good" in providing them a strong foundation in the use of Technology.

Superintendent Poore said the strongest research supports the 9th grade center. The secondary principals, a high school teacher survey, and the Executive/Senior team all support the 9th grade center. This is the most cost effective measure and the best way to utilize our resources. Financial factors have to be addressed and the economy is still struggling. The district has other needs, such as technology, that will have to be addressed. Bentonville Public Schools has great people that can make either option work. We will implement a strong advisory program and intramural program. The intramural program will include clubs, activities, and athletic programs and will also be supported by the Boys Club and the City Parks Department. Superintendent Poore recommended that the Board support a 9th center at BHS with 1500 students.

Before discussion began, Travis Riggs said that he wanted the Board to agree to a resolution that no matter what option was decided, the board would unanimously support the decision.

Motion by Travis Riggs, seconded by Scott Packnett, that the board will acknowledge and support unanimously the decision this board is about to reach and will act as 1 voice and 1 body for this district. The motion passed 7-0.

Superintendent Poore commended the board on making the decision to support whatever the decision is.

Travis said he supports a second high school. He said he has 60 emails and most of the people who spoke tonight were in favor of the 2nd high school. He said in the previous bond issue, the board took the 2nd high school off the ballot and promised the public that if they would pass the bond for the new K-8 buildings, a 2nd high school would be put on a ballot. He feels the public should be given the chance to vote on this and if it didn't pass, then the district could go for the 9th grade center option. Scott Packnett and Willie Cowgur both said they supported the 2nd high school and felt it was the best option. The remainder of the board members supported a 9th grade center.

Motion by Travis Riggs, seconded by Willie Cowgur, to build a 2nd high school on Bright Road. The motion failed 3-4.

In discussing the 9th grade center option, Bryan Vernetti thanked everyone who came to speak. He said he has always been in favor of the 9th grade center and thinks it is the best. He also believes financially it is the best option. He said we have a great staff, who provide our students with a great education. Beth Haney said she feels the board has to speak for the members of the community that are not present tonight, but are struggling financially. She does not feel the district should ask the voters to approve the approximately 8 mills or 10% increases that a 2nd high school with technology and other needs added would cost. Kim Mertes asked BHS principal Kim Garrett about AP and programs that could be lost if a 2nd high school was added. Mrs. Garrett explained that there are classes that probably could not be offered or could not be offered at both high schools. Travis again spoke his belief that the voters should have the option to vote on the second high school. As discussion continued to the location, Travis said if a 9th grade center is the option, he wants it on Bright Road instead of by BHS. Scott Packnett agreed. Travis felt locating the 9th grade center near BHS would make it a 5200 student campus and that would be very hard to duplicate. If growth continues at projected rates, a new bond issue will be needed by 2020 to address the continued growth and crowding at the high school. Bryan said he was disappointed to hear parents say they will not support a 9th grade center. Travis thinks the parents that are pro 2nd high school will vote against the bond issue with the others that will be voting against any tax increase. There was discussion about an advisory program and intramural programs that can be implemented to help assure the successes BHS currently has continue and to increase student participation. More facilities could be shared and it would be one less transition if the 9th grade center is located at BHS.

Motion by Bryan Vernetti, seconded by Beth Haney, to approve Superintendent Poore's recommendation for a 1500 student, 9th campus located at the current BHS campus. The motion passed 5-2.

COMMITTEE REPORTS:

Personnel Committee: Chair Kim Mertes gave the report, there was only one action item coming from the committee.

Motion from the Personnel Committee by Kim Merets to approve additional SPED staffing due to student growth. The motion passed 7-0.

Curriculum Committee: Chair Scott Packnett reported that the committee saw a demonstration of the Fast ForWard program. This is in place at all elementary schools and also used for ESL at BHS.

Athletic Director Scott Passmore presented a proposal from both local hospitals to provide free physicals for all our players, a physican on the field during home HS football games and other services. This would be at no cost to the district or to students or their families.

Motion from the Curriculum Committee by Scott Packnett to approve the Athletic Department entering into a Medical Provider Agreement. The motion passed 7-0.

BHS has two different exemption policies, which basically are the same. This will combine the policies.

Motion from the Curriculum Committee by Scott Packett to approve the AP Exemption Policy at BHS. The motion passed 7-0.

There were several course changes presented, mostly dealing with name changes or semester/full year changes.

Motion from the Curriculum Committee by Scott Packett to approve BHS Course Changes as Presented. The motion passed 7-0.

Policy Committee: Chair Becky Koonce said this is the second reading of the Fund Raising policies.

Motion from the Policy Committee by Becky Koonce to approve the second reading of following policies:
FM.3 – Fundraising Activities
FM.3.1 – School Activity Fund and Sanctioning Policy for Students Programs, PTO and Booster Clubs
FM.3.2 – Trademark, Registration and Licensing Policy
The motion to approve second reading of FM.3, FM.3.1 and FM.3.1 passed 7-0.

Dr. Ming recommended that the district enter into an agreement with LRG to monitor our trademark.

Motion from the Policy Committee by Becky Koonce to approve an agreement with LRG to Monitor Trademark. The motion passed 7-0.

The number of foreign exchange students was raised from 6-12. This is in the BHS handbook, which the board approves.

Motion from the Policy Committee by Becky Koonce to approve the changes in Foreign Exchange Student Policy for the BHS Handbook, raising the number of allowed students from 6 to 12. The motion passed 7-0.

Becky explained that this was very similar to the 7 -12 Attendance Policy that was approved at the last meeting.

Motion from the Policy Committee by Becky Koonce to approve waiving the 1st Reading for Attendance Policy K-6 to become effective immediately. The motion passed 7-0.

Ms. Garrett asked that recommended changes be accepted in policy, attendance wording and regulations.

Motion from the Policy Committee by Becky Koonce to approve the additions to Earning Exemptions at BHS as presented. The motion passed 7 -0.

Facilities Committee – Chair Bryan Vernetti reported on the October 28, 2011, meeting with the recommended actions:

Motion from the Facilities Committee by Bryan Vernetti to approve a RFP request for a Construction Management Model with a Guaranteed Completion Date. The motion passed 7-0.

Motion from the Facilities Committee by Bryan Vernetti to approve a lease agreement with NW Community Church for CES. The motion passed 7-0.

Bryan Vernetti said that the committee tabled the issue of 9th Center or 2nd high school to be heard at the October board meeting. Hight-Jackson was initially told to design a 7-8 building that could be converted to a second HS. Hight-Jackson needs clear instructions from the board concerning what to do with this option. Since this was tabled at the committee hearing, action will require a motion from the board.

Motion by Bryan Vernetti, seconded by Kim Mertes, for Hight-Jackson, do not continue with the development of the 2nd HS plans. The motion passed 7-0.

Motion from the Facilities Committee by Bryan Vernetti to approve an additional Facilities Committee meeting, 2nd Friday at 7:00 a.m. during construction, as needed. The motion passed 7-0.

Motion from the Facilities Committee by Bryan Vernetti to approve staying with the Mondo flooring at the new K-6 building. The motion passed 7-0.

Bryan was out of town for the second meeting, so Travis Riggs presided at the meeting and gave the report.

Motion from the Facilities Committee by Travis Riggs to approve Comfort System, USA as commissioning agent for $88,400 for the K-6 building. The motion passed 7-0.

Motion from the Facilities Committee by Travis Riggs to approve the Jr. High site floor plans as presented. The motion passed 7-0.

Motion from the Facilities Committee by Travis Riggs to approve accepting the increase in fees of $262,947 incurred by Hight-Jackson to move the Jr. High building to the east side of Bright Road. The motion passed 7-0.

Motion from the Facilities Committee by Travis Riggs to approve waiving the rental fee for 6 months for the Living Waters church to use Centerton Gamble E.S. The motion passed 7-0.

Motion from the Facilities Committee by Travis Riggs to approve Dunk Fire and Security for the fire alarm and access system for $93,460 for the K-6 building. The motion passed 7-0.

PRESIDENT'S REPORT:

Newly elected president Becky Koonce thanked everyone for the opportunity to serve. She also thanked everyone because this is a challenging issues and the board has dealt with this for a long time. She feels everyone spent a lot of time researching this. She thanked Travis for the motion to speak as one voice.

COMMENTS FROM THE BOARD:

Travis said he will support the 9th grade center and he feels Mike will make this amazing. Scott stated that the board members often miss their children's events to support the school. He stated that he will support the 9th center, as did Willie. Kim encouraged the board members to visit the schools. She said during a recent visit to CES and she walked the halls with principal Matt Young. They visited some SPED classrooms, where one sped student was in special Olympics and was so excited.

EXECUTIVE SESSION:

Motion by Travis Riggs, seconded by Scott Packnett, to retire to Executive Session at 9:15. The motion passed 7-0.

The board returned to open session at 9:55.

Motion by Travis Riggs, seconded by Scott Packnett, to amended the list of personnel to include Galen Havner as Executive Director of Human Resources and Kathy Murry as principal of the new Jr. High, as well as the presented personal packet. The motion passed 7-0.

The board meeting was **Adjourn** at 9:57.

Respectfully submitted,

Kim Mertes, Secretary

Recorded by Vicki Lunsford
Administrative Assistant
