Zones created to include student population living within the immediate area to the closest school campus first, using the natural geographic and demographic areas, main through streets, transportation corridors, and transportation zones to divide the Bentonville School District into contiguous zones with a balanced student population with room for future growth. Zones adjusted to accommodate equitable free and reduced lunch population.

Longest Route for Zone

School Zone	Route Miles	Route Time	Ride Time
Old High	35	1hr 30 min	1hr
Ruth Hale Barker	28	1hr 25 min	1hr
Ardis Ann	22	1hr 15 min	30 min
Bright Field	35	1hr 15 min	45 min
